China Post-Tour Itineraries

(Day 1) Depart Seoul on our flight to Beijing. Upon arrival, we will take a walking tour around the historical Legation Street area that was laid under siege during the Boxer Rebellion and was rescued by an international military rescue force. We will take a walking tour of Tian An Men Square which occupies an area large enough to hold half a million people. The Square is famous for the student pro-democracy protest in 1989. After checking in, the late afternoon is free to rest or enjoy the sights and sounds around our hotel.

(Day 2) After a western-style buffet breakfast, we depart for the Forbidden City and the Palace Museum. Completed in 1420, it is the largest and most well preserved imperial residence in China. Upon leaving the grounds of the Forbidden City we will enjoy a special treat as we take a unique Hutong tour with a rickshaw journey through historic Beijing streets and neighborhoods. We will have lunch with a Hutong family, a unique opportunity not generally available to foreign tourists.

This evening we will enjoy a traditional “Peking Duck” Welcome Dinner plus a special acrobatic show.

(Day 3) After breakfast, we will depart for the Great Wall of China, one of the wonders of the world. The Great Wall truly symbolizes China's ancient civilization and is one of the world's most renowned structures. In 221 BC, the Emperor decided to have the existing walls linked and extended to more than 4,200 miles. Historical records show that about 1 million people, one-fifth of China's population at the time, were involved in the project that took more than a decade to complete. After our visit to the Great Wall and lunch we tour the famous Ming Tombs at Changling. Dinner at a local restaurant and time to enjoy Beijing at night.

(Day 4) Visit the Beijing Zoo with the world's largest col-

lection of Pandas in captivity. Tour the legendary Summer Palace before a lunch at a local restaurant. After lunch, see the Temple of Heaven and a shopping stop in silk alley.

Just Beijing Portion: (Day 5) Head to the airport to arrive home the same day.

Continue to Xian: (Day 5) We board the bullet train to the ancient city of Xian.

The original Capital of Imperial China, Xian is surrounded by the best-preserved city wall in China and where the illustrious Silk Road concludes. After lunch we enjoy a city tour to include the Wild Goose Buddhist Temple and the Drum Tower. Tonight, enjoy a traditional Xian dumpling banquet and Tang Dynasty Show.

(Day 6) Today explore the incredible excavation site of the Terracotta Warriors. This vast clay army, 8,000 strong, was created to guard China's first emperor in the afterlife. You'll be amazed at the detail – each soldier has a different face. Lunch today is a Xian specialty – hand-pulled noodles. In the afternoon, we see the Downtown Drum Tower and City Wall while this evening is our Farewell Dinner.

(Day 7) - After breakfast, we transfer to the airport for our flight to the U.S. crossing the international dateline arriving the same day in the USA.
